The Honorable Joseph P. Addabbo
Chairman, Subcommittee on Defense
Committee on Appropriations
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

In his letter to you of 14 July, discussing our reasons for proceeding with an interim overseas differential, the DCI promised that we would provide additional back-up material. Such material is enclosed. Much of it was prepared in the course of our preliminary look at the question of proper compensation [redacted]. The enclosed material is, of course, not a substitute for the thorough systematic analysis which we will have prepared by external experts and which we will provide the Committee when it is completed early next year.
